January 19, 2007

Rotary Club of Belmont, California

IN THE NEWS...

Charles passed out team assignments for the Feb 24 Crab feed on MLK day and we began the sign up sheet for what each person will contribute for raffle and auction prizes. Be ready to add your ideas to the list this Mon.

As we need to meet the week prior to the Crab feed, our meeting on President's weekend is delayed until Tues the 20th at Van's at noon. There will not be a meeting on Mon the 19 of Feb.

Mary Lou South has tickets for Crab feed and the raffle. Everyone gets twenty raffle tickets and 10 dinner tickets to sell. Ask her for more when you need them. Seats are assigned, so groups need to purchase their tickets at the same time.

This week we will have posters to use in our businesses and letters to solicit corporate sponsorships.

Fay Aho is getting the sign ready to hang over Ralston Ave.

Wes Won will work on a dvd of corporate sponsors, so send him logos. He is also collecting photos of our club projects to put up on the screen during the Crab feed. Send him your photo files this coming week

We would like to have a member represent our club on a district committee to put a permanent display in the San Mateo History Museum in RWC. What is a good project that our club has done that we could feature? Call me if you have ideas so we don't miss this PR opportunity. The display will be professionally designed -we just provide materials, photos ,etc. Deadline is Feb 28 for inclusion in the display.

Bobby Vaughn is back from New Zealand and taking on the Rotary Ambassadorial Scholarship Program for our club. He will promote this at NDNU and work with our District committee to select a person for study abroad next year.

We are out of club banners to give away when you travel, but I have ordered more which should arrive in late Feb.

See you Monday when Bobby Vaughn will give the invocation.

President- Jean Cary
RI President-William B. Boyd
5150 District Governor-Mark Flegel

- 2006/2007 Belmont Officers**
- President Elect-Charles McDonald
