Sorry to be late this week folks, all kinds of distractions and as I write this I am looking at the water level on Lake Tulloch slowly going down for the winter. Came up last night and woke up this morning to some very "fresh" weather. Beautiful fall morning, clear blue sky and the air with that definite change of seasons "air" about it. For those who have never heard of Lake Tulloch, it is east of Stockton on the way to Yosemite, our local town is Copperopolis which as the name suggests was once a very busy and prosperous copper mining town. Now it is for tourists and when you drive through don't for heaven's sake blink, or you will miss it. Only a small lake, 2 and a bit square miles to it with some incredible 3-5 million plus homes built on the waterfront lots. But I digress and mainly because there was not very much to write about our meeting last Monday. Not that it wasn't a good meeting, they always are only today was a day we all took a deep breath. I think I managed not to dig too deep a hole there. Only one visitor, **Dennis Thompson** (*San Mateo*) was also our raffle winner/loser whichever way you want to look at it. Right ticket number, wrong marble. **Queen Juliana** reminded us that the next two Board Meetings will be held on the 3rd Wednesday of October and November, then it is back to the 2nd Wednesdays. Wednesday 14th will be a **Crab Feed** planning meeting at **Dave Bauer's** home at 6:00pm. **Olcay Ungun** brought us up to date on the "**Save The Music**" event held this past weekend at **Twin Pines Park** to raise money for the local school music programs.

The event went very well, check out the "report" that **Olcay** sent for **The Hub**. He was also presented with some flowers and perhaps next week he can tell us,

keeping in mind **The Four Way Test**, did he say to his wife as he walked in the door "Look at the nice flowers I bought you". **John Rossetti** says that taking flowers home can be very risky as you can sometimes be asked "What have you done/been up to?" Anyway **Olcay** our thanks for the great job you did for a great cause.

Patrick Smailey took over of Finemaster and quizzed us all on our knowledge of Traffic Laws. **Chief Don** was his final arbiter as to the correctness of the answers and no one would disagree with the Chief 'cause he is packing.

The Rotary Club of Belmont

Chartered May 29, 1959

Meets every Monday 12:00pm at "The Vans", 815 Belmont Avenue, Belmont
CELEBRATING 50 YEARS OF SERVICE TO OUR COMMUNITY

This week

Olcay reported on the "Save The Music" event held last Sunday at Twin Pines Park. This was a community fund raiser to support the music programs in our local schools. So from the "pen" of Olcay, here is his narrative on the days events

This was a true team effort that owes credit to a lot of people:

Fred - you - directed me to the banner maker

Mickaela helped out with all the paperwork and petty cash etc.

Chief Don M finessed a possible difficulty with the Lions

Fay softened the Its-it's owner and **Nadine** saved the day in the last moment so I would not pay for all the It's-Its.

Some recognition should go to the Its-It owners too for donating 190 of the ice creams

Brian made the **Mollie Stone's** freezer available and donated the dry-ice, and his people helped out with the freezer.

Vince repackaged and carried the stuff from **Mollie Stone's** to the fair, and helped setup

Joanna setup, brought the cash register, and saved my life by bringing a BIIG cooler at the last minute.

Lily, Mike T, Dave B, Juli, Sharrie, Sophia came on time or early and left late to sell like real pro's

Dave B even played vendor at the ball park for a while by going out there into the crowd and waving **It's-its** and selling with his big voice

I don't know about **Tom D**. He was a big distraction by hanging around all day with his cute granddaughter and diverting our focus us from our sales duties, but we forgive him since he also lent his cooler

Juli helped with all the paperwork and the post event cleanup

Sharrie and **Joanna** graciously took the remaining **It's-its**

Heck almost half the club did something for Music in Belmont.

Thanks to all !

Olcay Ungun

Great job there everyone, I was sorry I did not make it, had a grandson in LA who had a birthday Sunday, another one and also their father has a birthday next week so we had some family "bonding" and celebration.. Probably as well I was not there as I "kill" for Oatmeal Raisin Cookies and they tell me that an It's It is an Ice Cream Sandwich in Oatmeal Raisin Cookies. Just like "Angels crying on your tongue".

THE FOUR WAY TEST

1. IS IT THE TRUTH?

2. IS IT FAIR TO ALL CONCERNED?

3. WILL IT BUILD GOOD-WILL AND BETTER REALTIONSHIPS.

4. WILL IT BE BENEFICIAL TO ALL CONCERNED

NOTE CHANGES TO OCTOBER AND NOVEMBER BOARD MEETING DATES.

Club Assembly today the "Old Crab" himself **Dave Bauer** shared his ideas and plans for the forthcoming Crab Feed on February 7th, 2009. Sponsorship is a key part of this event as obviously the more sponsors we have the more money we raise. Everyone is asked to contact any potential sponsors and "put the arm" on them. No seriously, events such as these are a lot of work in planning and executing and the object of these fund raisers is to put our hands in someone else's pocket not ours. Peninsula Sunrise, a club of about 20 members regularly raise \$30 to \$40 thousand each year on their Irish Night serving Corned Beef and Cabbage. Well hello....what would you rather have? Irish Soul Food, you know a tough old cut of beef that has to be "corned" just so you can cut it. Cabbage that looks like it walked up and surrendered (plus it will give you gas) and potatoes or succulent Dungeness Crab in this most outrageous Cioppino Sauce. No contest in my mind.

Woodside/Portola Valley also a small club about 19 members just had their "Taste of Woodside" and also raised about \$40 thou. Sponsorships is where it is at good people. We also need good prizes for our raffle as well as Silent Auction prizes. **Renato Piombi** offered \$1000 if anyone will match it, now I am sure between all of us we can do that. Ten people put up a \$100 each will do it and I will put up the first \$100. So you see there are many ways you can contribute, sell tickets, solicit prizes and/or sponsorships and those sort of contributions don't come out of your pocket, someone else's.

ROTARY MEANS BUSINESS

This is a networking opportunity for all Rotarians held every 1st Wednesday of the month. This is a chance to meet other Rotarians as well as give a two or three minute "quickie" presentation on your business and what you do. This is how Rotary started, businessmen "networking" to promote their business. Come and enjoy some great food and "a glass or two" \$10 cost 5:30pm to 7:00. RSVP dave@epcatering.com

DID YOU MISS OUR MEETING.....WE CERTAINLY MISSED YOU

Regular attendance at Rotary is important to you and us. By attending regularly you are able to participate and stay up with everything that is happening within your club as well as Rotary. Fellowship is one of the primary benefits of Rotary and regular attendance enables you to get the most of this benefit. If you miss a meeting you can “make up” at another Club and here again is another benefit of your Rotary membership. Making up at other clubs, especially those in other countries is a truly remarkable experience, again proving that in Rotary “there are no strangers, only friends you haven’t met. Apart from all that miss a Belmont meeting and you are at the peril of “The Griz”
