Sorry, no Hub this week. Was on the golf course on Monday and did not arrange for "notes". Ross did send me some photos though.

Don't forget our installation dinner at DiVino's on June 22nd. **Queen Julianna** will be dethroned and **King David** will get his crown. Let **Chuck MacDonald** know you will be attending. Hope everyone can be there as this is when we pay tribute and give thanks to our President for all the hard work, time and devotion that he/she gives to us for the year. It really is a rewarding job in spite of the work and each year we are blessed with dedicated people like **Juli** to be our President. Speaking of **Dave Bauer**, he is progressing back to good health slowly but surely and if his "nurse" lets him, he will be there also.

Our District GSE Team is winding down their trip in Sweden and today I received an e-mail as well as some photos from **Eric Sevim**, who was our sponsored Team Member. As you will no doubt see from his note and the photos he is having an experience of a lifetime and I think he knows that his life will be forever changed by this. **Eric** will be a program for us in the new Rotary year.

Dear Fred,

This has most certainly been a 'once in a lifetime' event. A life inspiring and changing event. I have learned so much about culture, government, social welfare, their integration with nature, sustainability, and have developed wonderful lifelong relationships with my new American and Swedish friends. Thank you for allowing me the opportunity to become involved in the program and please extend my thanks to the Belmont Rotary Club for being my sponsor.

I look forward to presenting at a future meeting... I may need two meetings! Internet has been hard to come by at times but I have tried to update as much as time allows. I hope this e-mail find you in great health and joy!

Well now, as Eric is in the Auto Repair business it makes sense that he is checking out this var, doesn't it? Nice car actually

PARTING SHOTS....

This will be my last issue of The Hub as I will be "out of commission" for a few weeks with my knee replacement surgery next Tuesday. I hope you have all enjoyed my amateur journalism. I know it has had many typos and perhaps some fractured "English" at times. I know this for certain as I have had a "critic" who on a number of occasions has "critiqued" my work. This person shall forever remain nameless, but he/she know full well who (or is it whom) I am speaking of.

My "parting shot" will be to encourage as many of you to get more involved with Rotary in this coming year. Participate in as many of our functions as you can, especially District events. The recently formed Mid Peninsula Rotaract is well underway and these as are our own Rotaractors at NDNU a very enthusiastic group and need our help and support to grow. They are indeed the future of Rotary. I intend to really get involved with them as soon as I can and I will be "bugging" many of you to do likewise.

Most important in this coming year is to support and help incoming President Dave Bauer. Just as any other Rotary Club President the job takes time and energy and the more help we can give Dave the better our Club will be.

And Juli, my thanks for a great year, you are a pleasure to work with. Joanna and Ross, thank you also for the help you gave me. Joannao for your note taking and Ross for the photos that sometioemes were avictim of the "cyber gremlins", but nontheless, he came through

Be safe and be well everyone.

As most of you know we have our Rotaract Club established at NDNU and membership inthis Club is available only for students enrolled there. A new Rotaract Club, known as the Mid Peninsula Club has been formed and we are looking for members. Rotaract is for youg men and women in the 18-30 age group and if you know anyone, family member, friend, employee that would fit in this group please refer them to Fred West. Rotaract could best be described as a "junior" Rotary Club with a more informal structure than Rotary yet dedicated and committed to the same goals and ideals as Rotary. More importantly Rotary considers it as their "farm club".

DID YOU MISS OUR MEETING.....WE CERTAINLY MISSED YOU

Regular attendance at Rotary is important to you and us. By attending regularly you are able to participate and stay up with everything that is happening within your club as well as Rotary. Fellowship is one of the primary benefits of Rotary and regular attendance enables you to get the most of this benefit. If you miss a meeting you can “make up” at another Club and here again is another benefit of your Rotary membership. Making up at other clubs, especially those in other countries is a truly remarkable experience, again proving that in Rotary “there are no strangers, only friends you haven’t met. Apart from all that miss a Belmont meeting and you are at the peril of “The Griz”

MAKE UP NOTES
We don’t want to call them rules, how about “guidelines” ?

To qualify for a missed meeting makeup there are a number of situations that will work.

- Attend any Rotary Club meeting (anywhere in the world) within in 14 calendar days, either before or after your regular Club meeting.
- Attend your Club’s Board Meeting or any other Club related function such as Club Committee meeting, an Interact or Rotaract meeting and that does not necessarily mean your Club’s Interact or Rotaract, it could be any club’s.
- Attend a District function such as an Assembly, Conference, Seminar, Committee meeting.
- Attend an International Convention.
- Attend a community related function or meeting as a “principal” participant, such as a City Council Meeting as a member of the Council, City Manager, Police or Fire Chief, School Board Trustee or County Supervisor.
- Actively participate in a Club Community function as a “working” participant such as the Club’s Crab Feed, helping on an International Community Service project as in collating, loading, inventorying the medical supplies etc, that we periodically send to South America.
- Working on any Rotary related functions such as a GSE Team Leader, Polio Plus, Rotary Volunteers, Rotaplast, Rotavision.
- If a regular Club meeting is cancelled and no substitute event is scheduled in place of, such as the Installation Dinner or any other event designated by the Board of Directors, no make up is required.
