## HAPPY NEW ROTARY YEAR

Ok people, pay attention, there is going to be a quiz after.

Think of this.... A huge multi-national corporation with offices located in over 200 countries throughout the world, with 500 plus managers and a staff of some 1.2 million people. Every year on June 30 all administrative and managerial personal from the President on down are "fired" and July 1 a whole new regime takes over and the corporation never misses a beat. That my friends is Rotary. So for us in Belmont as in every other club throughout the Rotary world, "there's a new Sherriff in town". Thanks Dave, see you later, bye. Hellooooo Sharrie.

**OK SO WERE YOU THERE?** Too bad; we missed you and you missed a great evening last Tuesday as we celebrated Past President, ooh that sounds good doesn't it Dave....Past President, anyway Dave's year of leadership and welcomed our new President Sharrie. Those of us there at Vivace's enjoyed a great evening of fellowship fine dining and some "adult beverages". It was a time to reflect on what we had done as a club under Dave's leadership. Who could forget the fabulous BBQ we had at the beginning of his year when rained. But of course what about "Poker for Polio"? What a "deal" (pardon the pun) when he organized a District wide event to raise money for Polio and guess you won all the chips. Never, ever trust a one handed Jewish Poker player, makes me want to count my fingers every time after I shake hands with him. Our famous Crab Feed, expertly managed by then President Elect Sharrie, always a great successful event. We were fortunate enough to have as our guests District Governor Riki Intner and husband Bob who is also the Director of District Protocol. Joining us also was our Assistant Governor and District Governor Nominee Diedri Gladwin and her husband Walt, who is the incoming president of the Millbrae Club, talk about two Rotary families.

OK so you are "stuck with me" as your Newsletter Editor. Sharrie offered me a deal I could not refuse. A one week stay at Carlmont Gardens including three meals a day. Actually that was the deal if I did not do it. Now I have had a "stay" at Carlmont Gardens and Sharrie really runs a great facility there, her staff are incredible and when it comes to the food.....now what can I say.

So get ready for another year of Australian philosophy and wisdom, not to mention you experiencing English as a second language.

G'day and have a great week

## ***DID YOU MISS OUR MEETING.....WE CERTAINLY MISSED YOU***

*Regular attendance at Rotary is important to you and us. By attending regularly you are able to participate and stay up with everything that is happening within your club as well as Rotary. Fellowship is one of the primary benefits of Rotary and regular attendance enables you to get the most of this benefit. If you miss a meeting you can “make up” at another Club and here again is another benefit of your Rotary membership. Making up at other clubs, especially those in other countries is a truly remarkable experience, again proving that in Rotary “there are no strangers, only friends you haven’t met. Apart from all that miss a Belmont meeting and you are at the peril of “The Griz”*
